## Program Information

Dear Student Leader:

Congratulations! You have been selected to participate in the Fourth Annual Youth Leadership Summit (YLS), a program of the Leadership Broward Foundation, Inc. (LBF). Please review the dates and times to ensure that you have no conflicts with the program schedule.

YLS illustrates how **YOU** have the ability to assume a leadership role within your community and how your role can help shape the face of the future of Broward County. This year's Summit will focus on themes of life in Broward County through a mix of engaging presentations and interactive activities. By the end of the Summit, you will create a realistic plan for improving one of these themes of life in your community, and will grasp a more comprehensive understanding of the power you hold to positively serve your community.

*"I really enjoyed the Leadership Summit and it really changed the way I looked at Broward County. I never knew that the place I lived in for almost eight years had so much history and cool places to explore... Also, I never knew the imminent problems facing it, either. I really feel like I am a part of the community and have to be part of the solution, and Leadership Broward has helped me come to this understanding."*

~ Andrew P. Alvarez, 2007 YLS participant
