

THRONES OF LEADERSHIP

Milin Espino

Milin Espino has been with the Memorial Healthcare System for almost 20 years and is currently the Administrative Director of Community Relations for this six-hospital system that includes Joe DiMaggio Children's Hospital. Milin builds partnerships with key community stakeholders, civic associations, community leaders and cities. She incorporates the hospital's mission in developing and implementing outreach programs to ignite interest in the hospital. Milin collaborates with community partners to improve the quality of life of the residents via outreach projects and coordinates community sponsorships.

Milin fosters a responsible and contributing corporate neighbor relationship with the cities and their residents. Additionally she oversees the community corporate wellness program, speakers' bureau and safety programs to educate the community on health, prevention and early detection to improve the health status of the community. Milin is responsible for the Memorial Fitness Zone coming to an area near you and oversees special events for the System.

Milin has received many community recognitions for her dedication to improving the quality of life of the residents of Broward County and continues those efforts with her involvement with several non-profit community outreach organizations.

Milin currently volunteers as Board Member for Leadership Broward Foundation, 211 Broward, and Prestige Club. She is a Women United Leadership member and JA World Circle of Wise Women.

Milin has a Masters in Business Administration from FAU.
